

POLICY FOR PHOTOGRAPHERS & VIDEOGRAPHERS

Upon arrival please contact the wedding coordinator to review specific guidelines

We welcome photographers and videographers, both professional and amateur, for still pictures and videotapes. The Church itself is not a studio but a sacred place in which a community of believers worships. The photographer and videographer should keep this in mind as they plan all their decisions before, during and after the celebration of Marriage. The following directives must be observed.

1. Because the Sacrament of Reconciliation starts at 4:00 p.m. and Mass of the Sunday Obligation at 5:00 p.m., all photography must be finished by 4:00 p.m. for weddings on Saturday afternoon. **There are no exceptions to this rule.**
2. Wedding photographs may precede the marriage ceremony. At least fifteen minutes before the wedding begins, taking pictures of the wedding party ceases. At this time, the photographer may check in with the Wedding Coordinator for any specific instructions.
3. Photographers and videographers may not enter the sanctuary at any time. They may photograph from the side or rear of the Church only.
4. From the beginning of the actual ceremony (which begins after the procession) to the end (which is before the recessional) photographers and videographers are not permitted within the four inner columns of the church.
5. When the lectors, priest/deacon are at the pulpit for the Scripture readings or the homily, the photographer must be silent and still.
6. Formal portraits with studio equipment such as screens, props, etc., are not to be done in the Church but at home, the studio or the reception hall.
7. No Church furnishings are to be moved for pictures.
8. Flash photography is not allowed during the ceremony – only during the processional and recessional.
9. The photographer is not allowed to stop or slow the progress of the liturgy.
10. Photographers should be prepared to begin taking the formal pictures immediately after the wedding party leaves in the exit process.
11. Photographers and stationery video cameras are permitted in the choir loft of the Church as long as they are not on the organ or piano platforms or in the way of the organist and/or cantor.
12. Photographers and videographers should be dressed accordingly for the occasion. No jeans, shorts or t-shirts permitted.
